

ACDelco Batteries

February 2010

Expanded ACDelco Professional 5YR Offering

- 19 additional 5YR ACDelco Professional Batteries, bringing the total to 21 part numbers
- 20 month free replacement period with the balance of the 5 years as pro rate
- Competitively priced allowing dealers and installers to grow their business

ACDelco Battery Offering

Battery	No Charge Warranty Period (months)	Months of Warranty and Adjusted service
7YR Professional	50	84
6YR Professional	30	72
5YR Professional	20*	60
60-Series	18	60

*For batteries purchased after 2/28/2010

Good to Know

- ACDelco 7-year Professional Batteries are covered with our 50-month free replacement limited-warranty period, the best in the industry
- ACDelco Professional Batteries are also 100% electrical short tested
- ACDelco Advantage 60-Series batteries offer maintenance-free performance due to their large reservoirs above the plates which provide ample electrolyte reserve
- Be sure to test every car in the service drive with a battery tester to maximize sales
- ACDelco also offers marine, powersports and heavy-duty batteries

ACDelco Batteries

ACDelco Professional 5YR Battery

Fusion Weld

High integrity, low porosity weld reduces corrosion resulting in longer battery life

Negative Paste Formulation

Extreme bond resists flaking to improve overall performance and increase life

Framed Positive Grid

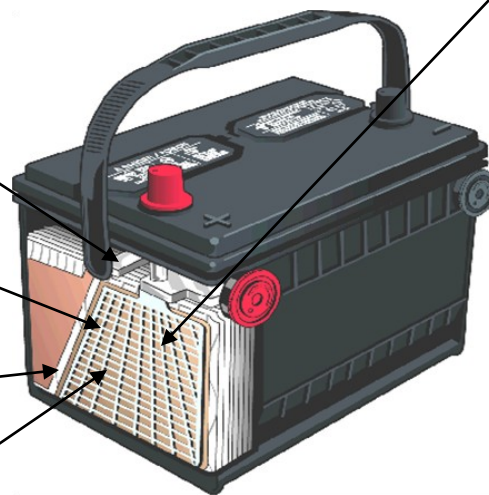

Optimized for conductivity, Powerframe™ technology is vibration resistant and offers superior cycling performance

Robust Envelope Separator

Improves acid circulation allowing the battery to remain cooler, extending battery life

High Purity Alloy

Calcium alloy increases cycle life, improves performance and minimizes gassing
