

Over 200 new part numbers have been added to the ACDelco Advantage brake rotor offering.

Now with over 480 part numbers, ACDelco Advantage rotors give you great coverage on GM and non-GM applications.

ACDelco Advantage brake rotors:

- Are mill-balanced, eliminating the need for extra weights
- Follow the OE brake design with similar chamfer angles, vane configuration and plate thickness
- Are coated to reduce corrosion
- Come with a 12 month/12,000 mile warranty

Below is a sample of the new part numbers. See you local ACDelco distributor for pricing and availability.
