New Product Highlight: ACDelco Advantage Friction Parts

ACDelco Advantage Friction Parts:

- May be sold at a competitive price allowing you to grow your ACDelco brake business.
- Are chamfered, slotted and shimmed to provide similar fit, form and function of the OE Service part.
- Come with hardware clip kits where applicable (silicone lube sold separately — ACDelco silicone lube part #10-4019)
- Have multiple formulations including both ceramic and semi-metallic pads that are specific to the vehicle application.
- Are made on a gray backing plate to easily differentiate from ACDelco DuraStop or ACDelco OE Service parts.
- Can be easily crossed with a corresponding DuraStop part number

DuraStop part #17D727CH = Advantage part #14D727CH
