

ACDelco Tensioners, Balancers and Pulleys

NEW Product! ACDelco now offers Original Equipment (OE) tensioners, balancers and pulleys for GM applications.

Why ACDelco OE Parts?

- Validated by GM Engineering which assures proper form, fit and function.
- Balanced to OE Specifications.
- Only GM and ACDelco offer complete late model GM coverage.
- Design enhanced to incorporate updates, upgrades and Technical Service Bulletins (TSBs.)
- Only ACDelco and GM tensioners, balancers and pulleys are validated to perform with critical engine management sensors, such as the cam position sensor.

All ACDelco Powertrain component parts come with a 12-month/12,000 mile limited warranty.

ACDelco Tensioners, Balancers and Pulleys

Application Chart*
