

ACDelco Fuel Pumps

March 2010

Because better performance begins with better parts.

ACDelco Fuel Pumps - whether it's an electric pump, a modular assembly or a mechanical pump - and related components are designed to provide:

- Outstanding fuel delivery performance
- Quick engine starts and a continuous fuel supply
- Long-lasting durability
- Proper fit leading to easy installation
- Applications for most GM vehicles

12 month/12,000 mile warranty

Every part in the ACDelco fuel pump line is covered by our 12 month/12,000 mile warranty (whichever comes first) limited warranty. Warranty good for the original retail purchaser, installation not included.
