

# ACDelco Engine Oil Cooler Lines

**NEW Product!** ACDelco now offers Original Equipment (OE) Engine Oil Cooler Lines and Fittings for GM applications.

Why use ACDelco OE Engine Oil Cooler Lines and Fittings?

- They are validated by GM Engineering which assures proper form, fit and function, which is very important with pressurized lines.
- Pre-bent to OE specs, no modifying necessary as with some aftermarket part numbers.
- Uses proper connections to guard against leaks and corrosion.
- Hoses use OE specified materials for proper shielding.
- Designs are enhanced to incorporate updates, upgrades and Technical Service Bulletins (TSBs.)
- 12-month/12,000 mile limited warranty.
- Only ACDelco and GM offer complete late model GM coverage.
