ACDelco Adds 91 New Air Filters to Professional Line

GRAND BLANC, Mich. – ACDelco is adding 91 new part numbers to its Professional air filter line. The expansion includes new part numbers for many popular import models from Acura, BMW, Infiniti, Nissan, Volkswagen and other manufacturers.

ACDelco Professional air filters are the ideal replacement for customers seeking OE quality and value. Key benefits include:

- Excellent filter capacity, efficiency and flow management for superior performance ☐
- Tight seals to prevent unfiltered air from entering the combustion chamber. ☐

Because ACDelco Professional and OE filters are backed by a 12-month/12,000-mile warranty, technicians can recommend them with confidence.

To learn more about the expanded line of ACDelco air filters, contact your local ACDelco representative or visit ACDelco.com.

ACDelco is the exclusive Original Equipment parts brand for Chevrolet, Buick, GMC and Cadillac, as well as provider of premium aftermarket parts for most other makes and models. Other available applications include off-road, marine and industrial. With a century of history behind it and nearly 90,000 parts across 37 product lines, ACDelco is the preferred choice of professional technicians and do-it-yourselfers in more than 100 countries. To find an ACDelco Professional Service Center program participant or parts retailer, visit acdelco.com or call 1-800-ACDELCO. Find ACDelco on Facebook, YouTube, Instagram, Google+ and Twitter.
