

GMSi SERVICE INFORMATION PROGRAM BENEFITS

ORIGINAL EQUIPMENT INFORMATION AT YOUR FINGERTIPS

GM Service Information (GMSi) is General Motors' web-based subscription service for auto repair. GMSi provides access to GM's straight-from-the-vehicle-manufacturer engineering and technical information for ACDelco businesses and technicians. This direct access is what sets ACDelco apart from other aftermarket brands. Choose ACDelco, the true GM Original Equipment parts brand that provides you with the tools and information to get the job done right the first time

GMSi

GMSi ADVANTAGES

- Provides the most accurate and current repair information at GM Original Equipment quality standards.
- Delivers collision repair procedures, frame sectioning information, panel replacement procedures and recall information.
- Empowers your shop with service repair information to repair GM vehicles quickly and accurately.
- Speeds up service repairs and controls costs by completing jobs correctly the first time.
- Features an expansive library of information that covers vehicle parts, manuals, specifications, service bulletins, VIN tags and more.

GMSi SUBSCRIPTIONS INCLUDE

- Model years 1998-present: GM Vehicle Diagnostics, Service/Collision Repair Manuals
- Model years 1980-present: campaigns, service bulletins and preliminary information for GM vehicles
- Model years 2003-present: GM Owner's Manuals and glove box supplements
- Easy-to-use keywords, documents and number search
